Poem

Now that winter's here

Alarm clock shrills ,that can't be right,
The bedroom's dark -it must be night,
But no, the clock says time to rise,
And clocks aren't prone to telling lies,
It's a sign that winter's here.

An icy chill attacks my nose,
And reaches down towards my toes,
Central heating's put to the test,
And radiators do their best,
Now that winter's here

The clouds hang heavy with snow and rain,
Shall we ever see sun again?
Scarves and jumpers, a bright array,
To keep us warm each frosty day,
Now the winter's here.

There is an upside this is true,
Like steaming soup and tasty stew,
In a cosy room away from rain,
While chill winds rattle the window pane,
Now that winter's here.

But then one day a hint of blue,
A warmer breeze, sun peeping through,
Along the pathway where I tread,
Snowdrops and crocus raise their head,
Spring will soon be here.

Margaret Crossland

Recipes

Broccoli and Stilton Soup

350g/ 12oz Broccoli Floret

25g/ 1oz Butter

1 Onion - Chopped

1 Leak (White Part) Chopped

600ml/ 1 Pint Hot Chicken Stock

115g Stilton Cheese - rind removed - crumbled

300ml/1/2 Pint Milk

3 Tablespoon Double Cream

1 Small Potato - diced

Salt and Ground Black Pepper

1. Discount any tough stems of broccoli. Set aside two small florets for the garnish.
2. Melt the butter in a large saucepan and cook the onion and leak until soft, but not coloured. Add the broccoli and potato. Then pour in the stock. Cover with a tight fitting lid and simmer for 15 - 20 minutes until the vegetables are tender.
3. Cool slightly, then puree in a food processor or blender. Sieve back into the pan.
4. Add the milk, cream and seasoning, then reheat gently. At the last minute, add the cheese and stir until it melts. DO NOT BOIL!
5. Meanwhile blanch the reserved broccoli and cut vertically into slices. Ladle the soup into warmed bowls and garnish with Broccoli and a generous grinding of Black Pepper.

Quick Ginger Shortbread

200g/ 8oz Margarine

300g/ 12oz Self raising Flour

100g/ 11oz Soft Brown Sugar

1 Heaped Teaspoon Ground Ginger

1. Melt margarine and sugar in a heavy-bottomed pan. Remove from heat.
2. Work in Flour and Ginger.
3. Bake in a Swiss Roll Tin at 160 degrees C/ 325 degrees F for 40 minutes.
4. Cut into fingers whilst hot, but leave in the tin until cool.

Top Tip from Jen Cochran "I use 2oz Dark Brown Sugar and 2 oz Light Brown Sugar"

Quiz

1. Which spacecraft flew close by the planet Pluto in July 2014?
2. Tamworth, Vietnamese, Pot Belly and British Lop are breeds of what animal?
3. Which bird of prey, principally feeds on fish?
4. What is the semi-molten rock found beneath the Earth's surface?
5. Which metal is mixed with copper and antimony to make English Pewter?
6. Meles Meles is the scientific name of which animal?
7. What is the most abundant gas in the Earth's atmosphere?
8. What bird is also known as the Windhover?
9. What sort of creature is an Aye-Aye?
10. Which is the larger of the two moons of Mars?
11. In the human eye, what name is given to the coloured area?
12. What number on the Fahrenheit Scale is equivalent to 100 Celsius?
13. "Strigiform" means relating to which nocturnal bird?
14. On which part of their body do crickets have hearing organs?
15. Which of the moons of Jupiter is the largest in the Solar System?
16. Which mineral is mainly used to make the lead in a pencil?
17. What is the young of a spider called?
18. Which company manufactured the Lancaster, Lincoln, and Vulcan Bombers?
19. What temperature on the Fahrenheit Scale is the freezing point of water?
20. The disease Scurvy is caused by a deficiency of which vitamin?

Science
& Nature

Your Parish Council

Flooding

First of all a big thank you to Dave White who, along with members of the Parish Council, helped rescue cars stranded in the flooded junction at the entrance to the village and set up flashing warning signs to stop any more speeding drivers from being trapped in over a foot of water and sewerage.

The pumping station simply could not pump to Kingswood as their pumping stations were doing their best to keep Kingswood safe.

Weeks before the flood we had recognised issues with local riparian drain and would like to thank Malcolm Pearson for the information and contact points he has provided.

We are in contact with the East Riding of Yorkshire Council and Beverley & Holderness Drainage Board and plan to work with them to produce a five-point action plan around identification, current status and enforcement.

Traffic Controls

Speed-Watch

- o We have held more sessions with the support of PCSO Bainton and formal letters have been sent out by the police to people going over 30mph.
- o We are concerned that the speed watch events are not taking place with enough regularity and plan to liaise with the Office of the Police Crime Commissioner about training that will allow us to carry out the sessions without PCSO Bainton.

Speed-Control

- o We have sent a further letter and photographs of the car badly damaged in the rear end shunt at the bridge to Sutton.

Speed Survey

- o We are paying for a four-point speed survey in order to gather data to use for our traffic and speed calming project.

Pavements

We keep chasing the ERYC and having paid towards repairs for many of our pavement had expected work to have commenced before now - we have feedback and expect the work to be completed before the end of the financial year, 2020.

Development

The Parish Council along with Mid Holderness Ward Councillor have been in constant contact with many residents who live on Ferry Road and have raised concerns about the state of the road and the developments that are taking place.

We are aware the road has deteriorated and that the developers have obligations, which is why we are keeping up the pressure to ensure all rules and regulations are followed.

Recreation Ground

We now have enough information around the history of the Playing field, the play area and the old tennis courts to make an informed decision about the way forward. We just have to get a couple of agreements in place and should be able to reveal a plan for the site early 2020.

The subcommittee has a number of options for the site and are looking at the grants available. They are starting to realise that what they want will not be possible in one single project. What may happen is a phased plan that sees new equipment introduced to parts of the site with old equipment left in place until the next phase and a final phase of a general tidy up.

Christmas

Just a list of "thank you's" for those villagers that helped us with the successful Christmas Light Switch on;

- The whole of the Village Hall Committee
- The whole of the Church Committee
- Gail Jennison for distributing and collecting lanterns
- Andy Beulah for putting up the tree
- Terry from Church Road from helping with the tree
- Martin Bengé our VIP for switching the lights on
- Mark Wilson & Dave Palmer traffic control

St Peters Church

Dear Friends in Wawne,

It was really good to welcome so many people into church to thaw out at Halloween and then again after the lighting of the Christmas tree outside.

I am writing this just before Christmas, when, again, many choose to come to church, for services of all types. I am thrilled that so many people seem to appreciate that the church is there, and open during the day.

It's been particularly encouraging to us all to experience the support and sympathy of so many people since the theft of the lead in September. THANK YOU! And for the donations towards the repair.

Repairs should start in January, and all the

work will take about two months, replacing what was lead with stainless steel. After that we will install a roof alarm system with cameras, which should help keep the roof safe.

In all this the fabric and contents of the building have barely suffered at all, owing to the wonderful support and quick action of some Wawne residents who made sure that a roofing company was there the next day - a Sunday - at 8.30am in pouring rain covering the roof over.

Others were there mopping up the water before the tarpaulins were in place on the roof. A brilliant show of support; we have encountered so much kindness in all this!

And so on into 2020. A church which has been there for 900 years; a Christian faith which has grown over 2000 years; a God who gives new hope and encouragement in what is an uncertain future for the country, and in all the uncertainties of our own lives.

Best wishes,
Chris

Wawne Village Hall

Christmas is over and a New Year has started.

Wishing everyone a Healthy, Happy, Trouble free & Rewarding 2020.

We had a very good Christmas here at the Village Hall, thanks to a lot of hard work done by our small band of volunteers. We could always use more to take the weight off the few, so if anyone would like to help, either people who regularly use the Hall or who need to feel part of the Community of Wawne then you are Very Welcome. We usually have our monthly meetings at 7pm on the first Monday of the month in the Reading Room, but you are not forced to come to those, it just gives an opportunity for new ideas & plans to be tossed around.

Breakfast with Santa seemed to be very successful, I hope. If you have any complaints please let us know, or any ideas for next year. Our thanks to the Parish Council for facilitating the donation of toys.

The format may be a little different next year as Mrs. Santa is leaving us, so the craft packs may not be available. Unless you know of someone who could volunteer? It is a very time consuming, very space consuming, but surely very rewarding part of our event. The Parish Council, I understand, help with the financial side of it but you must be good at being able to put packs of crafts together for ages 2-10, to take home to 'do' I would think there's a lady in the village that would give advice if asked. We could supply her name on request.

We would like to say a great big thank you to Mrs. Santa for all her hard work at the Village Hall and at St. Peter's Church on the evening of the Lighting the Christmas Tree. It has been marvellous to have her. We wish her a very happy retirement! Everyone that helped knows who they are, a very big thank you to you.

Anyone coming to the Hall lately will have noticed the new Heating System. We have new radiators! A huge improvement on the previous ones as long as we have been giving the timings correctly. Obviously it can't be running all the time. Mistakes sometimes happen, our apologies. We would appreciate if the timer was not messed about with. Don't want to run out of oil unexpectedly.

We are hoping, with a lot more fundraising, to get radiators in the Reading Room which would be fantastic, especially for the monthly Saturday Coffee Mornings which are still running successfully. Nothing like a bacon butty and a cup of tea/coffee. Notices are displayed in the village & the Wawne Stores.

If anyone would like to have a Quiz night with/without refreshments please let us know & we'll see what we can do. Or any other type of entertainment? If you don't ask, we don't know. Again, to all,
Happy New Year.

Wawne Fest

Wawne Fest - Saturday 11 July 2020

Planning and bookings for the next Wawne Fest, which will take place on Saturday 11th July 2020 commencing at 1pm at Wawne Primary School, are progressing well and we hope there will be something for everyone to enjoy. An application has been submitted for another flypast by the RAF Events team and hopefully we will be lucky again. If we are successful we should know by spring 2020.

As I said in the last gazette this is your village show and we welcome your comments and suggestions. What did you like / not like about the last Fest? Do you have any suggestions for entertainment? Do you have a classic car / motorbike / tractor / equipment you would like to display or do you know of any? How can we improve the Fest?

Night event?

Also in the last gazette I said that a suggestion has been made that, due to numerous comments from villagers, that a night event is held on the evening of the Fest.

For us to determine if this is feasible we need to know if you would support such an event which would potentially include a live band, disco and food. Would you like to bring children? Could you please let me know if you would attend the evening event?

You can do this via the contact details below, or using this internet survey link <https://forms.gle/zeZc9xFuNfmKHsLj6> There are also forms in the Wawne Store for you to complete as necessary. We have, to date, received very few responses although numerous villagers have said they are interested when asked directly. Please let us know.

David Ayres Memorial cup

We will also be running the David Ayres Memorial cup competition again. Many of you will remember David who was a very active member of the Village, amongst others, a Parish Councillor and member of the Wawne Show Committee being, at times, chair to both groups.

It was a very sad time when David passed away but his family provided, to the Wawne Festival Committee, a Memorial Cup in his name for which we are grateful. There were two joint winners of the Cup at the last Wawne Fest and we would like more entries at the next Fest so get thinking and making! The competition is open to all villagers and family (of all ages) and, in keeping with David's love of engineering and technology, we would like you design and make, out of any material i.e. Lego (not a kit), metal, wood, wire..... a useful creative invention. There is no cost for entry. Entries will be judged and the winner awarded with the cup. Get creative!

The winner (which could be a family or team) will keep the cup until the next competition when it will be presented to the new winner.

Best wishes for 2020

Martin Benge, Chair

FOWSA

FOWSA (Friends of Wawne School Assosiation) has undergone some recent changes to its members, therefore we would like to say a big thank you to Alison Langley and Liz Thomas for all they have done for FOWSA over their many years of commitment to the Charity. They both decided to step down in November to move onto new ventures within their personal lives and had already been introducing new members to take over roles within the FOWSA team. They have decided that now is the time to say farewell to FOWSA and we wish them all the best for the future. As a new team, we will continue the great work that they both started and work in partnership with the school.

We would like to welcome the new members of the FOWSA team who now consists of the following: -

Chair: Emma Moate-Taylor

Secretary: Helen Dawson

Treasurer: Katie Wilson

Fareshare: Katie Moody

Parent Committee Members: Sueann Barker and Rebecca Molnar

Parent Helpers: Yvonne Roberts and Joanne Dawson

We held a Spooktacular Halloween Party on Thursday 24th October 2019 this year in the Village Hall! This was a great success and the children thoroughly enjoyed themselves. We held competitions and gave prizes for the best dressed and best carved pumpkin. We played ghoulish party games, had a disco and enjoyed refreshments.

We also held a Christmas Party at Monkey Bizness on Thursday 12th December 2019. The children had a wonderful time and it was lovely to see you all there supporting us. We held a raffle which was an amazing success, and we would like to thank all those that donated gifts and vouchers.

The combined total raised from both events was in excess of £500, that is an extraordinary amount and will make a massive difference to the school. As you will be aware, FOWSA are a parent run team who work voluntarily to raise money for the school, this money helps to fund things such as, pantomime coaches, selection boxes for F1 and F2, trips, equipment and other things needed for all of our children.

We would like to thank all those who have shown their support to the new team, we hope you all have had a very Merry Christmas and look forward to 2020 and all that it will bring.

Many thanks

FOWSA Team

Become part of something amazing.

Start your volunteer journey today.

Last year Dove House Hospice was able to provide care, free of charge, to over 1,100 patients and their families in our local community. It costs us £8.3m to provide our vital services 24 hours a day, 365 days a year, with government funding only covering the equivalent of around 40 of those days.

*Sunday Times 5th
best not-for-profit
organisation to
work for in the UK,
2018*

How do Volunteers help?

Our retail volunteers help us to raise the income we need to go on providing this vital support to the local community. This means we can spend the maximum amount of money directly on our patients and those who care for them.

Where do I fit in?

With 36 shops to choose from across Hull and the East Riding, why not call into your local store to find out more.

Whats involved?

Our retail volunteers assist the Shop Manager in all aspects of running our shops; including preparing our donations for the shop floor, keeping our stock room clean and organised, serving customers and visual merchandising.

There's plenty to do both on the shop floor and behind the scenes, with roles to suit all skill sets and personalities.

TO START YOUR VOLUNTEER JOURNEY

Contact us on (01482) 785747, email volunteering@dovehouse.org.uk or contact our volunteer coordinators directly as detailed below:

QUICK STEP

Gentle Exercise Class

The Gentle Exercise Class takes place in the Village Hall
on Thursdays from 11am - 12.15pm.

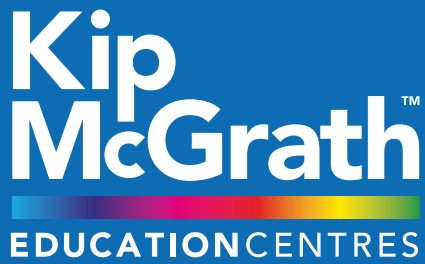

The class comprises 30 minutes of seated exercises followed by
a refreshment break and games.

There are various games including curling and bowls and
all are accessible for all abilities.

New participants would be very welcome.

The cost is £1.50 per session and no booking is required.

Why not come along and join in with as much or as little as you feel able?

WE WILL SELL YOUR HOUSE!

Whilst Taylors Estate Agents is a new, vibrant brand within the local property sector, its directors, Chris Hall and Gemma Bolder are no strangers to the property market having over 30 years combined experience within the industry.

Director Chris Hall already owns an established letting agency – JKT Property, which is also based in Sutton, and has always wanted to add a 'sales arm' to the business. With this in mind he and Gemma developed Taylors Estate Agents.

"We believe in a culture of honesty, trust and transparency, which underpins everything we do. JKT Property was built much the same way and is now going into its 16th year of business," says Chris.

Taylors make selling your home easy and stress free, with a fixed fee, so sellers know exactly how much it will cost them and are so confident that they can sell your home for you that they also offer a 'No sale, no fee'.

Call Taylors Estate Agents today on **01482 705898** www.taylorsofhull.co.uk
