# The Recreation Ground

needs  
you!

A new sub-committee has been formed to help shape the future of our much loved village Recreation Ground and we are looking for members!

- Are you keen to see the Recreation Ground restored?
- Do you have children who use the Recreation Ground?
- Want to shape the future of the Recreation Ground?

If you answered yes to any or all of those then come join us!

For details and to be contacted about news and meetings please email:

# Parish Council

## **A Cheerio**

The Parish Council would like to express its thanks to Councillor Gail Jennison who has had to leave us due to increased family commitments.

Cllr Jennison was a definite asset to the council and will be sadly missed - unless we can get her to help us with the Christmas celebrations.

## **A Warm Welcome**

The parish council would like to welcome Councillor Pauline Steer.

Cllr Steer was already a member of the Recreation Ground sub-committee but after attending the parish council meetings on three or four occasions decided she could be of even more use to the village as a whole and joined us at the September meeting.

## **Recreation Ground**

The sub-committee has a number of options, but in order to meet the criteria, for many of the grants available they are now having to get at least three quotes for each option.

The sub-committee are working with various suppliers on two main areas 1) keeping the "Play Area" where it currently is and developing that site or, 2) moving the "Play Area" onto the larger field, along with the additional developments the committee wish to make.

Ideas currently being looked at are:

- Better Play Park Area
- Multi Gym
- Nature Area
- Picnic Area
- Improved Goals/ Pitch
- Accessible equipment for wheel Chairs and Buggies

If you have any suggestions our would like to help with the development of the Recreation Ground, please contact Cllr Birch on [cllr.birch@wawneparishcouncil.co.uk](mailto:cllr.birch@wawneparishcouncil.co.uk)

## **Traffic Controls**

We have a number of issues that we plan to bundle together under one single heading - traffic controls:

- Speed-Watch - We have booked in three more sessions and with help of volunteers from the village. PCSO Bainton will be supporting the parish council to gather more data and to remind drivers about the speed limit in the village.

- Sutton Road Bridge - We are still discussing what steps we can take as well as working with East Riding Council with what options are open to us.

- Speed Survey - We are pushing the East Riding Council for a date when they plan to can carry out a speed survey across the village.

## **Parking Restrictions**

The parking restrictions along Main Street and outside of the church have been laid down by East Riding Council.

Many people are confused by the 'spaces' in the parking restrictions and feel that some people have been given special privileges - this is not the case. During our consultation process, we met with the local traffic police who advised us that a clear road would actually lead to more speeding and that we should continue to have parking that slowed down traffic in the village.

You will also note that the parking restrictions down Ferry Road have altered slightly. This is at the request of a severely disabled resident who struggles to get out of their driveway. Cllr Birch, who has asked for this change, hopes that this will stop people parking opposite and across thier drive, allowing the resident easy access.

## Christmas

As usual the Parish Council are working hard on the Christmas Festivities. We will be having the Light Switch On taking place on Friday 6th December, as normal we are meeting in the Village Hall at 5pm.

We are sure that there will be lots of other Christmas events happening around the village, so keep your eyes peeled.

# *A Message from* **Santa**

To all the girls and boys,

Ho, Ho, Ho. It's nearly time to write your Christmas lists and send your letters to me.

To make sure I get them and make sure I know what you'd like, put your letters in the special Post Box which I have asked Kate in the Shop to look after.

Remember that to get what you would like for Christmas you have to be good, as you could end up on my naughty list!

Don't forget that I need your name and address on the letters so I can reply to tell you I got it. You might have to ask an adult to help with that bit.

Happy Christmas,

*Santa Claus*

## The Castaway

Raging and soaring the fearsome wind,  
Shreds the defenceless sails,  
Crashing like matchwood the sturdy masts,  
Ignoring the sailors' wails.  
Pitching and tossing on the sea,  
Swamped by each rising wave,  
Crewmen are clinging to what remains,  
Between them and a watery grave.  
There's no one to hear the pitiful cries,  
While the howl of the wind simply mocks,  
Driving the hull of the proud sailing ship,  
To its violent end on the rocks.

In the cold light of morning, all is now still,  
Tiny waves gently lap on the shore,  
Strewn on the rocks just a tangle of wood,  
Tells the story of what went before.  
Running and shouting shatter the mood,  
As people descend to the beach,  
Scaling the rocks, wading into the sea,  
To lay claim to whatever they reach.

Amidst all the frenzy, a solitary cry  
Only heard by an innocent child,  
One lone survivor from a ship's stricken crew,  
Since the storm that had raged so wild,  
Exhausted he lies on the golden sand,  
Mourning his ship's cruel end,  
'What of my shipmates?' he asks of a man,  
'There is only you my friend'.

# FOWSA

We all enjoyed a lovely Harvest Festival at St Peters Church. FOWSA provided teas/coffees juice and biscuits back at the school hall after the service.

We held a Spooktacular Halloween Party on the 24th October this year in the Village Hall! This was a great success the children thoroughly enjoyed. We held competitions and gave prizes for the best dressed and best carved pumpkin. We played ghoulish party games, had a disco and enjoyed refreshments.

To support our fundraising, we will be running Christmas raffles at each of the school Christmas plays again this year, dates to be confirmed. Tickets as usual will be available on entry to the school at £1 a strip and numbers will be called after each play.

This is our biggest fundraiser, we are asking for parents and villagers to support us with donations of raffle prizes no matter how small e.g. boxes of chocolates, biscuits, bottles of wine or any unwanted gifts etc. all greatly appreciated. Donations to be taken to the school office.

We will also be providing teas/coffees and mince pies for parents and carers after the Christmas church service date to be confirmed. The 'Donation Jar' will be in the school hall, please feel free to put loose change in it!

We are very excited to be hosting the FOWSA Christmas Party this year on the 12th December at Monkey Business. This will be a ticket event only with more information to follow in bookbags.

Thank you for your continued support.

# Village Hall

Christmas is coming quickly so we're already preparing for our regular celebration of Breakfast with Santa on December 7th. Any crafters, out there, if interested in a table please ring.

Everyone has a great time with breakfast and a pressie from Santa for all the children booked into the event. There's also a craft bag to take home. There's a game also in the main hall with prizes, craft tables to look at, with jewellery, hand made Christmas cards, succulent gardens and wooden carvings to buy.

Tombola, a raffle, home made produce, bric a brack and refreshments of bacon sarnies for the adults.

We are always glad to welcome helpers at this event as it is a very busy time.

Booking is a must, times between 9 am & 11am at half hourly intervals. Telephone numbers on the posters. Please mention any allergies. Don't want anyone being poorly, it's a fun event and it has been for quite a few years now.

We are having new radiators fitted, at last, so the hall should be warm this winter which will be very welcome as the weather deteriorates. Judging by the amount of berries in the hedgerows it could be a very bad winter.

We have a lot of parties booked for the weekends up to Christmas so if you want to hold one better ring VIV on 836519 before they're all gone.

We had a fundraiser for MacMillan Cancer Care which raised £347. Thanks to everyone for their generosity.

The Committee would like to wish everyone a Joyous Christmas, hoping you've had a Ghoulish Halloween & a safe Bonfire night. Thanking, also our regular user groups for their contribution to the upkeep of the hall.

Our next regular Coffee Morning will be November 2nd.

# Wawne Fest

We had our Annual General Meeting (AGM) on Monday 9th September and elected the new committee - Chair- Martin Bengé, Vice Chair- John O'Donoghue, Secretary- Janet Bengé, Treasurer- Michelle Lount with committee members; Margaret Hodgson, Edith Shipley, Gill Leng, Dean McGuigan, Elaine Shiels, David Shiels, and Chris Shipley.

We are very pleased to welcome new members to the committee - David and Anna Parker. I am also pleased to announce that some FOWSA members also want to attend the meetings and they will be invited to the meetings.

After the AGM we held our normal committee meeting, discussing the last Fest and started to plan and prepare next year's Fest which will take place on Saturday 11th July 2020 commencing at 1pm at Wawne Primary School.

As stated in the September Gazette the Fest was a great success from the many positive comments we received and we hope to build on that success. The Treasurer provided a report which showed that the Fest cost £4,242.88 to stage (school hire, stage hire, insurance, licenses, alcohol/soft drinks purchase, entertainers, skip hire, equipment testing, other sundry items) with income of £4,363.93 (Entrance fees, bar, food vendor fees, donations, raffles, tombola etc) leaving an excess of £121.05 which will be invested in the next Fest.

As I have stated in this publication before the Fest has to be self-financing as we are an independent voluntary group. No one receives any payment and we are responsible for the financial success or failure of the event. Although we made a 'profit' it was a very small margin which could have easily turned into a loss if the weather had not been so good or if less villagers had attended. We depend on you attending and financially supporting the event.

This is a village show and we welcome your comments and suggestions. What did you like / not like about the last Fest? Do you have any suggestions for entertainment? Do you have a classic car / motorbike / tractor / equipment you would like to display or do you know of any? How can we improve the Fest?

A suggestion has been made that, due to numerous comments from villagers, that a night event is held on the evening of the Fest. For us to determine if this is feasible we need to know if you would support such an event which would potentially include a live band, disco and food. Would you like to bring children? Could you please let me know if you would attend the evening event?

You can do this via the contact details below, or using this internet survey link <https://forms.gle/zeZc9xFuNfmKHSLj6>. There is also a list in the Wawne Store where you could add your name etc.

# St Peters Church

Dear Readers of the Gazette,

Most of you will know about the lead theft we suffered from the roof of St Peter's on the night of Friday 27th September 5 tons was taken in a slick operation, and we were just one of 5 churches that suffered in a short time.

Of course, the police have been involved but we are still hoping for more information. The lead was loaded onto a van/s to be taken away, and it seems that the van was parked in the road by the churchyard wall under the yew tree opposite the Home Farm garden ie between the church gate and the entrance to the allotments. Since there is really only one entrance to the village, it would seem strange if nobody drove past, whatever time of night it was.

If you saw anything, please do get in touch with me (my phone number and email address are below). Fortunately, owing to the kindness of a Wawne resident who knows some builders, the roof was temporarily covered very quickly. We are now looking to repair the roof (with stainless steel, the architect now tells me).

Several people have offered financial help, and donations towards our Fabric Fund would be wonderful, but we did receive a legacy last year towards the fabric of the church, so we hope that that will help. The support from so many has been MARVELLOUS. Thank you!

We were already looking into installing cameras to guard against metal theft, and we are continuing with this.

We are delighted that the yellow lines have now been painted outside the church. We had asked for these to prevent traffic problems when there were large services in church. I see that yellow lines have appeared in many places in the village; we only requested those outside the church.

For the rest of this year, we have decided to support a small charity called The Book Bus. You can look it up on the internet if you wish; it promotes literacy in Zambia, Malawi and Ecuador by sending buses full of books and reading materials round remote areas. If anyone would like to donate (money, not books!), please give your donations to a church member.

The church will be open as usual on 31 October from about 5-7pm to offer free refreshments to all those going Trick or Treating round the village. And we will hold our normal Remembrance Service on Sunday 10 November, starting at 10.50am for the Act of Remembrance.

Looking ahead, we will be involved as usual in singing carols round the Christmas Tree on Friday 6 December at 5pm in the Village Hall, followed by refreshments in church, courtesy of the Parish Council.

Best wishes,  
Chris

# Christmas Crime Prevention Advice

## When at home:

- If going out, leave a light on so it looks like someone is home.
- Don't advertise to thieves what you have in your home – hide your presents and only put them under the tree on Christmas Eve.
- Store presents in a safe place and be mindful how you dispose of discarded present boxes as this is a giveaway as to what is inside your home.
- Keep windows and doors locked.
- Never leave a spare key in a convenient hiding place such as under the doormat, burglars know all the usual hiding places.
- Never leave your house or car keys in or near a door or window.
- Be vigilant to heating oil thefts – check levels frequently and fit a good quality locking device to all fuel tanks; consider appropriate lighting around the tank so you can see and anyone else can be seen.

## When out shopping:

- Keep your purse, wallet, keys and mobile phone safe by securing them in an inside pocket or zip them away in your bag and keep it close to your body.
- Cover your PIN when making payment by card and be mindful of the amount of cash you are carrying on you.
- Never leave valuables or purchases unattended.

## When using your vehicle:

- Do not drink and drive. Know your limits.
- Ensure you carry out weekly car safety checks to ensure your lights and wiper blades are in good working order and your tyre tread is sufficient.  
Lights on, wipers on!
- Remember to lock your vehicle and do not leave valuables on display, including your Sat Nav.
- Park in well-lit areas.

## **HAPPY 90TH BIRTHDAY ANNI !!**

Founder member of Wawne Indoor Bowls Club Anni Jackson (pictured centre foreground) celebrated her 90th birthday at the club on 15th September with a WIN!

Anni, was born in Germany before the Second World War. Finding it impossible to get work in Germany after the war, she came to England as an au pair, settling in East Yorkshire. During the seventy years she has been in England she had several jobs in agriculture and was post lady at Skirlaugh for a while and met and married her late husband there. She started playing indoor bowls with the club at its inception in 1994-5 and still plays every week.

The club have just invested in two new mats and will be starting to compete in the East Yorkshire Winter League programme shortly.

New members are always welcome at the club, which meets in Wawne Village Hall (on Main Street) so if you would like to try Indoor Bowls yourself, just come along for a free taster to any of the club meetings. All equipment can be provided but bring soft shoes (to protect the mats).

dovehouse  
hospice

caring for people with a life limiting illness

## Start your volunteer journey today.

Last year Dove House Hospice was able to provide care, free of charge, to over 1,100 patients and their families in our local community. It costs us £8.3m to provide our vital services 24 hours a day, 365 days a year, with government funding only covering the equivalent of around 40 of those days.

### How do Volunteers help?

Our retail volunteers help us to raise the income we need to go on providing this vital support to the local community. This means we can spend the maximum amount of money directly on our patients and those who care for them.

### Where do I fit in?

With 36 shops to choose from across Hull and the East Riding, why not call into your local store to find out more.

### Whats involved?

Our retail volunteers assist the Shop Manager in all aspects of running our shops; including preparing our donations for the shop floor, keeping our stock room clean and organised, serving customers and visual merchandising.

There's plenty to do both on the shop floor and behind the scenes, with roles to suit all skill sets and personalities.

# WE WILL SELL YOUR HOUSE!

Whilst Taylor's Estate Agents is a new, vibrant brand within the local property sector, its directors, Chris Hall and Gemma Bolder are no strangers to the property market having over 30 years combined experience within the industry.

Director Chris Hall already owns an established letting agency – JKT Property, which is also based in Sutton, and has always wanted to add a 'sales arm' to the business. With this in mind he and Gemma developed Taylor's Estate Agents.

"We believe in a culture of honesty, trust and transparency, which underpins everything we do. JKT Property was built much the same way and is now going into its 16th year of business," says Chris.

Taylor's make selling your home easy and stress free, with a fixed fee, so sellers know exactly how much it will cost them and are so confident that they can sell your home for you that they also offer a 'No sale, no fee'.

# Gentle Exercise Class

The Gentle Exercise Class takes place in the Village Hall on Thursdays from 11am -12.15pm.

The class comprises 30 minutes of seated exercises followed by a refreshment break and games.

There are various games including curling and bowls and all are accessible for all abilities.

New participants would be very welcome.

The cost is £1.50 per session and no booking is required.

Why not come along and join in with as much or as little as you feel able?
